Having considered the complaint of twenty-nine Member States contained in document S/4279 concerning "the situation arising out of the large-scale killings of unarmed and peaceful demonstrators against racial discrimination and segregation in the Union of South Africa",

Recognizing that such a situation has been brought about by the racial policies of the Government of the Union of South Africa and the continued disregard by that Government of the resolutions of the General Assembly calling upon it to revise its policies and bring them into conformity with its obligations and responsibilities under the Charter,

Taking into account the strong feelings and grave concern aroused among Governments and peoples of the world by the happenings in the Union of South Africa,

1. Recognizes that the situation in the Union of South Africa is one that has led to international friction and if continued might endanger international peace and security;

2. Deplores that the recent incidents in the Union of South Africa should have led to the loss of life of so many Africans and extends to the families of the victims its deepest sympathies;

3. Deplores the policies and actions of the Government of the Union of South Africa which have given rise to the present situation;

4. Urges the Government of the Union of South Africa to initiate measures aimed at bringing about racial harmony based on equality in order to ensure that the present situation does not continue or recur and to abandon its policies of apartheid and racial discrimination;

5. Requests the Secretary-General, in consultation with the Government of the Union of South Africa, to take such measures as would adequately help in ensuring that the purposes and principles of the Charter shall be respected and to report to the Security Council whenever necessary and appropriate.
