I have the honour to transmit herewith copies of the Resolution on Zimbabwe adopted by the Ministerial Conference of Non-Aligned Countries held in Georgetown, Guyana, in August 1972.

Acting in accordance with the mandate given to me by the Conference, I have the honour to request that you be good enough to circulate this resolution as an official document of the Security Council for the purposes of the impending debate on Zimbabwe (Southern Rhodesia).

RESOLUTION ON ZIMBABWE

The Conference of Foreign Ministers of Non-Aligned Countries, meeting in Georgetown, Guyana, from 6 to 12 August 1972.

Recalling the resolution NAC/CONF.3/Res.4 by the Lusaka Summit of Heads of State and Government of Non-Aligned Countries in 1970, as well as the resolution adopted by the 9th Assembly of Heads of State and Government of the Organization of African Unity in June 1972,

Gravely concerned that trading with Rhodesia continues contrary to resolutions 232 (1965) and 253 (1968) of the United Nations Security Council and of Article 25 of the United Nations Charter,

Reaffirming its conviction that sanctions against the illegal régime must be maintained and intensified,

1. Expresses solidarity with the freedom movement in Zimbabwe;

2. Requests all non-aligned countries to work for maximum isolation of the racist minority régime in Zimbabwe;

3. Calls upon the United Nations to ensure that the evasion of sanctions by international profiteers and speculators is brought to a halt; and for this purpose to urge Member States to keep under surveillance all vessels carrying goods prohibited from or destined for Southern Rhodesia entering or departing from both Beira and Lorence Marques.
