The language of document E/ICEF/SR.73/Corr.1 should read "Original: English/French". Page 20, paragraph 2 should be changed to read:

"Mr. AMANRICH (France) said that he had abstained in the vote on the resolution proposed at the end of the debate on that question in the Programme Committee because he had hoped, as he had stated at the time, that the Board could take a decision during the present session. After hearing the Indian representative's statements he felt that the decision could be taken forthwith and would vote for the Administration's recommendation."
