COMMISSION ON THE STATUS OF WOMEN

SECOND SESSION

DRAFT RESOLUTION SUBMITTED BY THE REPRESENTATIVE OF DENMARK

The Commission on the Status of Women, having considered the need to influence world public opinion in favour of equality between men and women requests the Economic and Social Council to call upon the world press, radio, film and other information agencies to help in removing such prejudices as have been proved to exist in this respect.

The Commission furthermore suggests that the Economic and Social Council call upon the Department of Public Information of the United Nations to assist all such information agencies in these efforts to the fullest possible extent, and to prepare, in consultation with the United Nations Division of Human Rights, suitable information material of all kinds for this purpose.
