

COMMISSION ON NARCOTIC DRUGS

THIRD SESSION

LIMITATION OF PRODUCTION OF RAW MATERIALS

(Item 13 of the Agenda)

PROPOSAL SUBMITTED BY THE REPRESENTATIVE OF THE UNITED STATES OF AMERICA

(Note by the Assistant Secretary-General in Charge of the
Department of Social Affairs)

The Assistant Secretary-General in charge of the Department of Social Affairs has the honour to transmit to the members of the Commission on Narcotic Drugs the following proposal made by the Representative of the United States of America.

THE COMMISSION ON NARCOTIC DRUGS recommends that the Economic and Social Council adopt the following resolution:

THE ECONOMIC AND SOCIAL COUNCIL

BEING ADVISED by the Commission on Narcotic Drugs that the international instruments relating to the control of narcotic drugs are:

The Convention and Final Protocol signed at The Hague

23 January 1912 and 13 July 1913, respectively, as amended by the Protocol of 11 December 1946.

The Opium Agreement, Protocol and Final Act signed at

Geneva on 11 February 1925 as amended by the Protocol of 11 December 1946.

The Convention and Protocol signed at Geneva on 19 February 1925

as amended by the Protocol of 11 December 1946.

The Convention for Limiting the Manufacture and Regulating the

Distribution of Narcotic Drugs signed at Geneva, 13 July 1931, as amended by the Protocol of 11 December 1946.

The Opium Agreement and Final Act signed at Bangkok,

27 November 1931, as amended by the Protocol of 11 December 1946.

The Convention for the Suppression of the Illicit Traffic in

Dangerous Drugs signed at Geneva on 26 June 1936 as amended by the Protocol of 11 December 1946.

The Protocol to bring under International Control Drugs not

covered by the 1931 Convention.

TAKING NOTE of the complexity of these instruments and the desirability of simplifying the organization of international co-operation for controlling the traffic in narcotic drugs,

REQUESTS the Secretary-General to begin work on the drafting of a new single Convention which shall replace the above-mentioned instruments relating to narcotic drugs and also include provisions for the Limitation of the Production of Narcotic Raw Materials.
